Articulating Arm Mount with Integrated Security HPMA50HL

The Versatile and Secure Solution for Mounting Flat Screen Televisions.

With the popularity of flat screens, mounting them on the wall is crucial for a clean and professional look. Hotel Preferred's comprehensive selection of sleek and sturdy wall mounts are the solution for securing your flat panels to the wall. The versatility of the flat, tilt, and articulating arm mounts are built using the highest manufacturing quality standards. The matte black power-coated finish will match the most popular LED displays and are easy to install using the mounting guide and complete hardware kit included with every mount.

Flat & Tilt Wall Mounts

The **low profile** mounts allows your flat screen to hang on the wall without having the mount itself become visible. **Two position vertical and slide lateral adjustment** provides the ability to position the screen to your needs on the static mount. The tilt model features a **tilt adjustment of -5/+15 degrees**, makes it simple to get the flat screen to your desired angle. Installs in minutes with ease of a lift and hook design including an **Anti-theft lock slot and security bar**.

Articulating Mount

Extend your flatscreen for a closer view with confidence. The **dual arm support** will **hold up to 200lbs**. Supporting Vesa bolt hole patterns makes installation quick and easy. With a **180 degree pan/swivel** range, your flat screen panel can be enjoyed from anywhere in the room.

Multiple joint arms hold screen 2.9" from wall when retracted and 14.67" when fully extended. Has up to 55° side-to-side rotation allow for a variety of viewing angles and perfect screen positioning. Makes a secure installation quick and easy, simply hang the screen and turn the pre-assembled securing screws to lock in place. Integrated cable management for clean look.
